Copono was born from a simple idea: turning every purchase you make into an opportunity to earn a reward.
We connect shoppers with stores to create a smarter and more rewarding shopping experience for everyone.
With Copono, shopping is not just about paying — it becomes a way to save and earn rewards.

The Arabic version :

وُلد كوبونو من فكرة بسيطة: أن يتحول كل شراء تقوم به إلى فرصة للحصول على مكافأة.
نحن نربط بين المتسوقين والمتاجر لنصنع تجربة تسوق أكثر ذكاءً وفائدة للجميع.
مع كوبونو، لا يقتصر التسوق على الدفع فقط، بل يصبح طريقًا للتوفير وكسب المكافآت.

We work on building a platform that connects shoppers and stores in a smart and transparent .way, turning every purchase into an opportunity to earn real rewards

Our goal is to promote a culture of smart shopping and encourage people to make the most of .their daily purchases, making saving a lifestyle rather than just a fleeting opportunity

The Arabic version :

مهمتنا: أن نجعل كل عملية شراء أكثر قيمة

مهمتنا في كوبونو هي جعل التوفير والمكافآت جزءًا من تجربة التسوق اليومية. نسعى لتمكين المتسوقين من الحصول على قيمة إضافية مقابل مشترياتهم، وفي الوقت نفسه نساعد المتاجر على الوصول إلى عملاء جدد وزيادة انتشارها.

نحن نعمل على بناء منصة تربط بين المتسوقين والمتاجر بطريقة ذكية وشفافة، حيث تتحول كل عملية شراء إلى فرصة للحصول على مكافآت حقيقية.

هدفنا هو نشر ثقافة التسوق الذكي وتشجيع الناس على الاستفادة من مشترياتهم اليومية، بحيث يصبح التوفير أسلوب حياة وليس مجرد فرصة عابرة.
